Sir

I have the honour to bring to the notice of Govern ent that for some time past Plague is prevailing in the Channa-rasip r town and in spite of preve ive measures adopted the disease could not be stamped out owing to the persistence of some inhabitants of the village in the belief that it would be difficult to deal with the situation under section 145 (3) of the Municipal Regulation to order the evacuation of infected buildings The resolution recorded at the Council's meeting held on the 21st October last is enclosed for perusal

2 The power if granted need not necessarily be exercised and the very fact that the conferring of such power has been notified in the Gazette is sure to have the evacuation of the congested areas of the town and the stamping out of the infection

I request that orders may be obtained early in the matter and communicated to me

Subject

Requesting that power under Section 145(3) of the Municipal Regulation may be conferred on the Deputy Commissioner Hassan

Sir

I have the honour to forward herewith a Resolution passed by the Municipal Council, Hassan at its meeting held on the 13th instant requesting that power under Section 145(3) of the Municipal Regulation may be conferred on the Deputy Commissioner Hassan.

2. The Council has passed the Resolution in question in view to the fact that the Deputy Commissioner is the Appellate Authority in the matter of appeals against the orders of the Municipal Council under Section 145 of the Municipal Regulation and that the Deputy Commissioner is not empowered to stay the execution of the orders of the Municipal Council pending disposal of the appeals. The Council has represented that in the absence of such power in the Deputy Commissioner, the owners of buildings ordered to be demolished by the Council, have been taking undue advantage of the delay in the disposal of appeals and have been putting up buildings in contravention of the orders of the Council.

3. I am of opinion that the request of the Council is reasonable and that the power asked for may be conferred on the Deputy Commissioner. Safeguards are provided in the Regulation itself against the possibility of the power being misused. (1) The Deputy Commissioner should first be satisfied that a prima facie case has been made out for the stay of execution and (2) that other reasonable alternative relief is not available (Section 145). So the chances of the power being misused are very remote.

4. I have the honour to request that the power under Section 145(3) of the Municipal Regulation may be conferred on the Deputy Commissioner Hassan.
